Wonderful Church Family,

We were so glad to see those of you who attended service this past Sunday. We pray that you felt safe and excited to be back.

REMINDERS:

- We ask that if you plan to attend that you be reminded that the sanctuary and Family Life Center will not open until 10:30 a.m.
- When wearing masks please make sure it is covering your nose and mouth. Everyone did a fantastic job wearing their masks and we thank you for your continued support in this decision.

UPDATES:

- The committee has agreed that we can open both the restrooms in the vestibule area of the church as well as those in the Family Life Center. Please remember to be respectful of one another's space when using these facilities.
- We are going to sing as a congregation during worship service. After much thought we feel that this is a huge part of our service and as long as we are wearing our mask it can be done safely.

Our committee is continuing to monitor recommendations by the CDC and state officials to see when we can change procedures safely. As always we appreciate your prayers as we strive to make the best decisions for our church family.

Love in Christ,

Re-opening Committee
