Hello Again Wonderful Church Family.

We pray this email finds you all well.

Yesterday our Governor announced the decision that face masks be required in public. Although we know it doesn't specifically apply to places of worship, we feel at this time it is best practice. Going forward this means that all who wish to attend services must wear a mask until further notice. If you are unable to wear a mask we ask that you remain active by watching online. The Family Life Center will be used for any overflow of members/visitors that cannot be seated in the sanctuary safely.

We continue to ask for your patience and prayers as we move forward in reopening and maintaining the safety of all our church family and visitors. If you have any questions or concerns please let us know. Feel free to email us at fbccleaning20@gmail.com

Love in Christ,

Re-opening Committee
